

QUALITY HOTEL FRIENDS

- THE EVENT HOTEL WHERE GREAT MOMENTS ARE MADE

Welcome to the event hotel Quality Hotel Friends! We opened in August 2013 and offers facilities in a unique event environment. After all, we are located in Arena City just north of Stockholm and right next to the national arena Friends Arena.

We offer a homely and vibrant meetingpoint and our goal is to be a livingroom in the area. A livingroom where you relax over a coffee or a glas of wine in our lobby-bar First Moment. Or take the elevator all the way to the top and enjoy a meal in our restaurant, OnTop, on the 25th floor with a spectacular view over Stockholm. And start the next morning with our breakfast buffé in In Between. We are the livingroom where everyone is welcome, whether you visit us for a concert at Friends Arena, for a conference or just for a nice weekend in Stockholm.

It takes just 7 minutes by commuter train to Stockholm Central Station and 30 minutes to Stockholm Arlanda Airport.

The hotel has 31 wheelchair accessible rooms. 13 of these can fit an electric wheelchair.
